

A geometric diagram of a triangular prism. The top triangular face has vertices labeled  $B$ ,  $C$ , and  $A$ . The bottom triangular face has vertices labeled  $b$ ,  $c$ , and  $a$ . Vertical lines connect corresponding vertices:  $BB'$ ,  $CC'$ , and  $AA'$ . Internal lines are drawn within the prism, including lines connecting vertices to the centers of opposite faces and lines connecting midpoints of edges. The diagram is labeled with various letters and numbers, including  $B$ ,  $C$ ,  $A$ ,  $b$ ,  $c$ ,  $a$ ,  $1$ ,  $2$ ,  $3$ ,  $4$ ,  $5$ ,  $6$ ,  $7$ ,  $8$ ,  $9$ ,  $10$ ,  $11$ ,  $12$ ,  $13$ ,  $14$ ,  $15$ ,  $16$ ,  $17$ ,  $18$ ,  $19$ ,  $20$ ,  $21$ ,  $22$ ,  $23$ ,  $24$ ,  $25$ ,  $26$ ,  $27$ ,  $28$ ,  $29$ ,  $30$ ,  $31$ ,  $32$ ,  $33$ ,  $34$ ,  $35$ ,  $36$ ,  $37$ ,  $38$ ,  $39$ ,  $40$ ,  $41$ ,  $42$ ,  $43$ ,  $44$ ,  $45$ ,  $46$ ,  $47$ ,  $48$ ,  $49$ ,  $50$ ,  $51$ ,  $52$ ,  $53$ ,  $54$ ,  $55$ ,  $56$ ,  $57$ ,  $58$ ,  $59$ ,  $60$ ,  $61$ ,  $62$ ,  $63$ ,  $64$ ,  $65$ ,  $66$ ,  $67$ ,  $68$ ,  $69$ ,  $70$ ,  $71$ ,  $72$ ,  $73$ ,  $74$ ,  $75$ ,  $76$ ,  $77$ ,  $78$ ,  $79$ ,  $80$ ,  $81$ ,  $82$ ,  $83$ ,  $84$ ,  $85$ ,  $86$ ,  $87$ ,  $88$ ,  $89$ ,  $90$ ,  $91$ ,  $92$ ,  $93$ ,  $94$ ,  $95$ ,  $96$ ,  $97$ ,  $98$ ,  $99$ ,  $100$ .
